Review: Mounties mounting a competition charge

By **SAM ALEXANDER**

MOUNTIES have surged into third spot on the ladder following a walloping of the Warriors. Sami Sauliluma was the star with a huge four-try haul.

Meanwhile Illawarra and Wentworthville are battling it out for top spot and Magpies have the edge right now, leading by one point. Wentworthville made it four wins in

a row with a less than convincing performance over Cronulla last week. However the Cutters kept the pressure on, with another win keeping them within reach of the Magpies and with a solid points differential of 101.
